The 1976–1977 LA MEZCLA

For the students of

Armijo High School

Fairfield, California

Preface

This book is a record of events, a year frozen in words and images, translated into memories, feelings, and emotions. It attempts to represent every facet of the school year, and for that reason is divided into pieces, individual sections that are meaningful both alone and as a whole... Yet it would be wrong to assume that life at school and thoughts of school uniquely make up an individual's experience. There are so many elements of life not considered relevant to school that are essential to it because they form a significant part of the life of the students.

We should, by now, have a storehouse of vivid memories. The opening pages which follow are intended to represent these elements by trying, through suggestions and strings of images, to capture the mind of the student. If we took our share, this book should serve always to re-kindle a life time supply of memories.

Through A Window

Watching life
without being watched
pressing the nose
against a pane
prison windows
punching through screens
to escape
to be free
turning back
please let me in
to the inside of the window
to watch life again
without being watched.

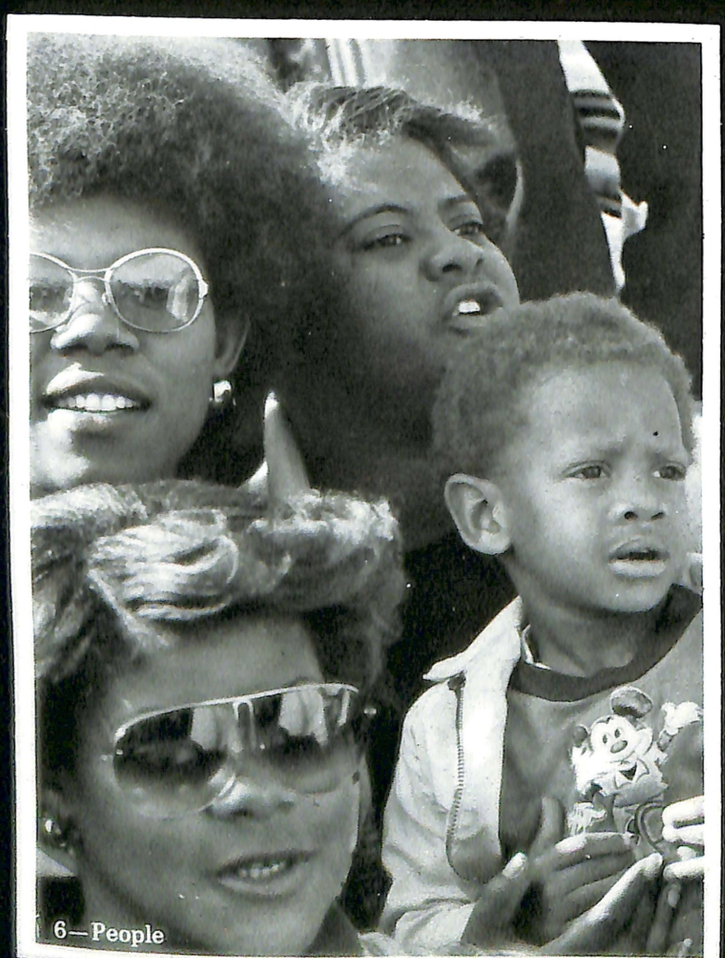

Through a window
when you are inside
are you really inside
or are you outside?
and are you outside
when you are inside?
is there such a thing as a window
or is it just a wall held stiff
between two voids
appearing to have an outside
and an inside
when really there are none
and if a window does exist
does it exist
to let light in
or to let darkness out?

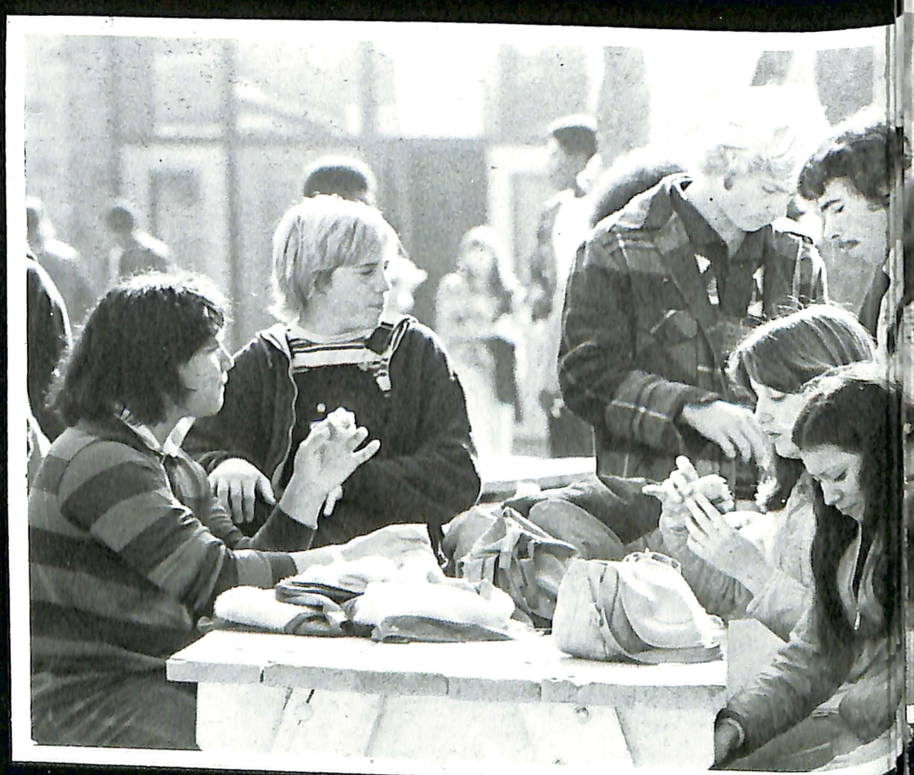

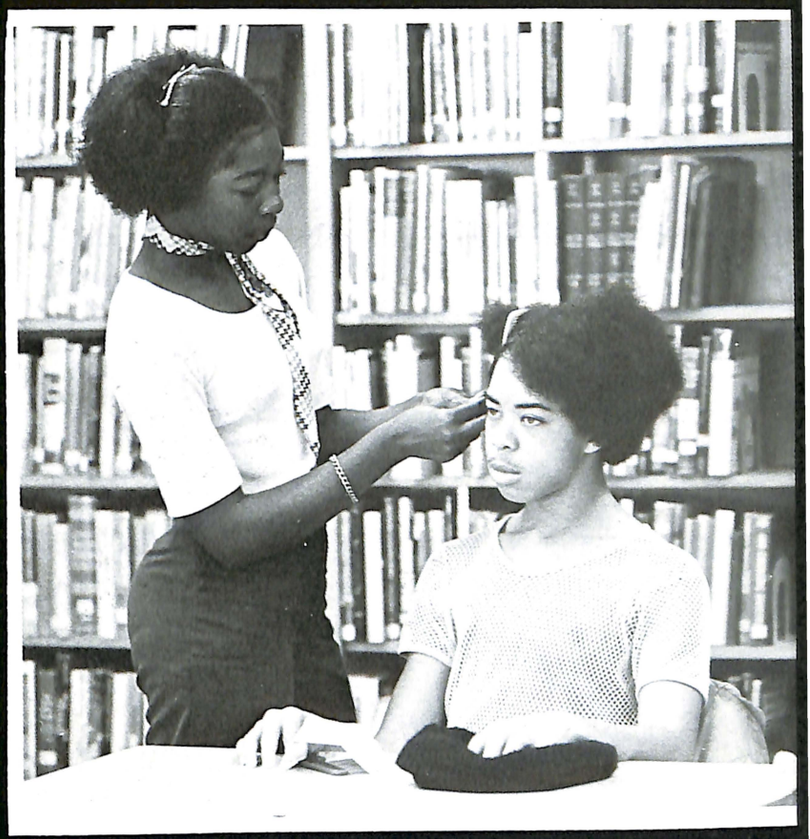

PEOPLE

The people in your life...
so many different
personalities, faces...
never a carbon copy of another.

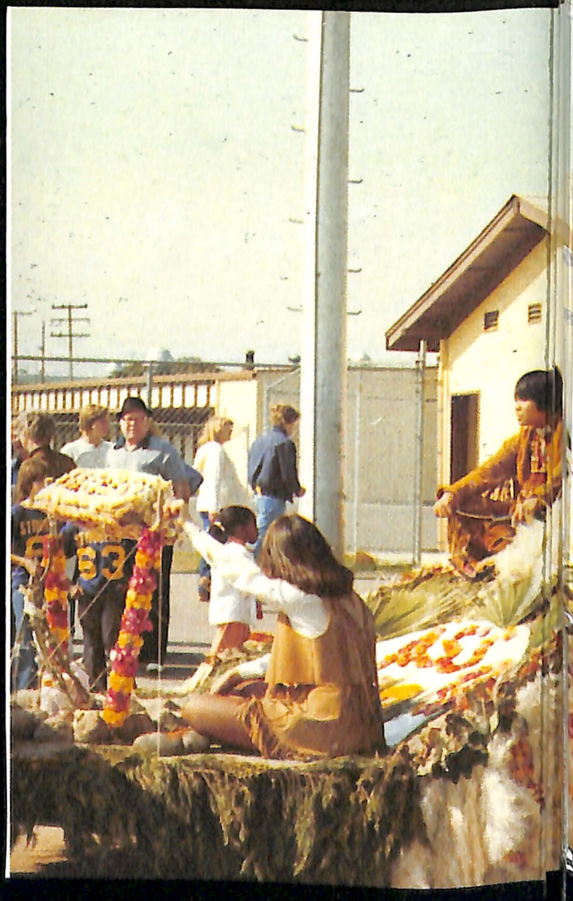

Your feeling for them
(arranged analytically)
on the scale of relationships
ranging from casual acquaintances
to intimate friends.

Some are fine for
munching popcorn with
on a stormy Saturday night,
or riding double with
on a sting ray bike.
Some are people with whom
you can have interludes of silence,
people who will ... just understand.

And after you have learned
to understand them,
you adopt that certain quick smile
when surprised
that certain gesture
which meant so much.

A facet of their
personality and feelings
has affected you and
left an imprint
maybe not noticeable
but significant.

CREATIVITY

The Junior's hard work into the early dawn payed off with a first place.

The Seniors smoked everyone except the Juniors with a second place finish.

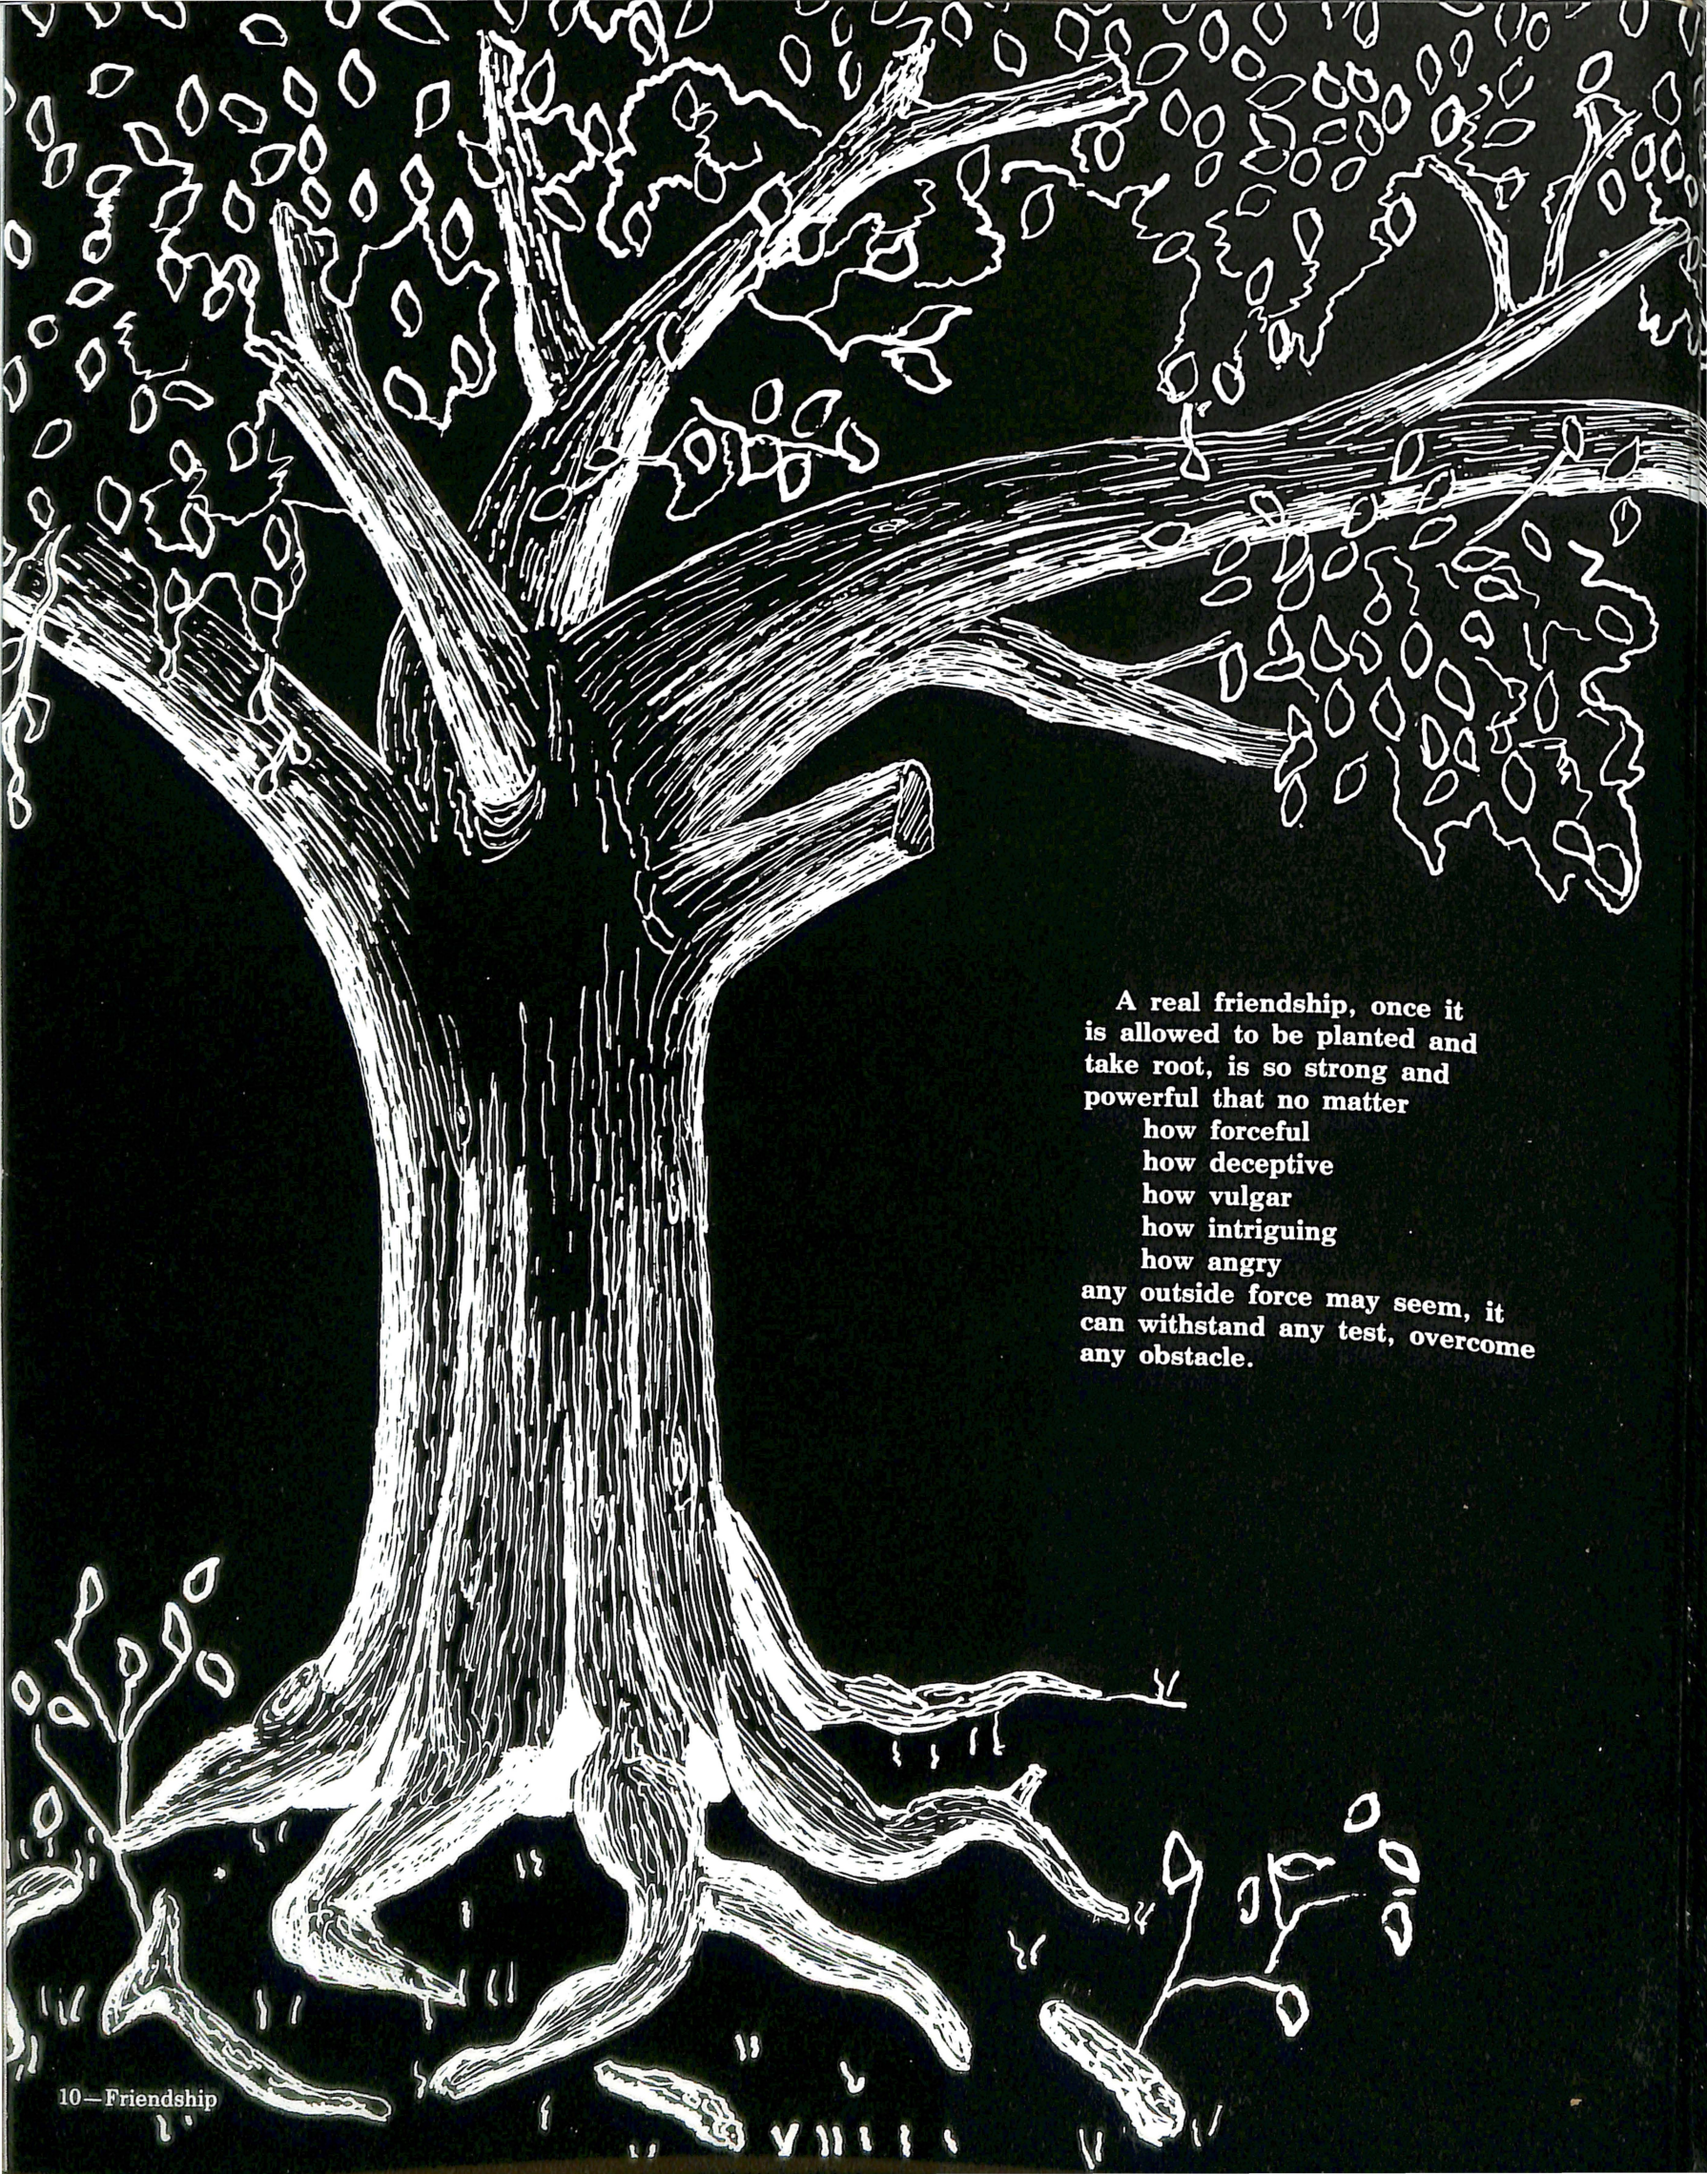

Each year when homecoming comes our way the creativity and talents of many students are reflected in the homecoming floats. The goal of each class is to have the number one float. Students and helpers work for weeks designing and building their floats. When homecoming day finally arrives, a sense of accomplishment fills the air. There are arguments between the different classes about who's float is actually the best. Yet there are never losers. Every individual who has participated in the construction of their floats has gained many happy and memorable experiences. Along with the students, many Fairfield residents turned out to view the homecoming parade. There, everyone was able to relax and admire the efforts of each class.

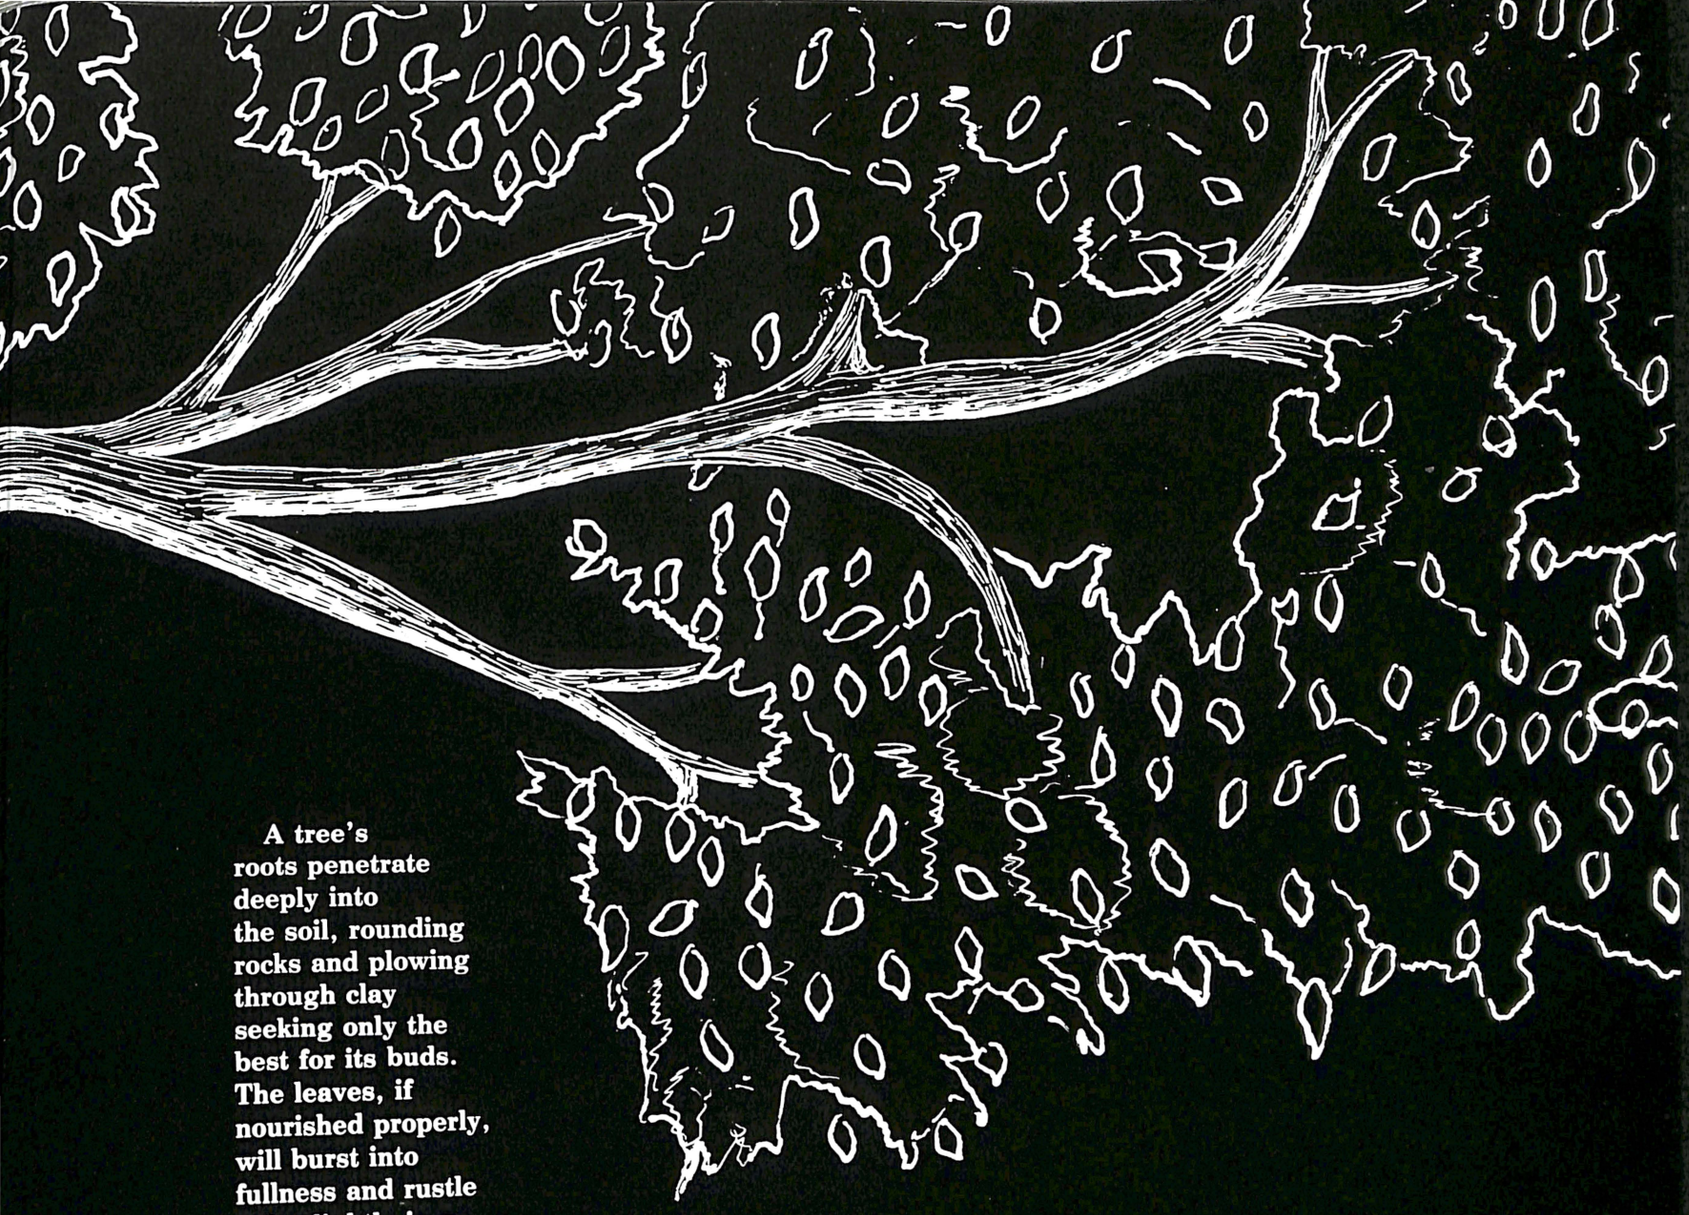

Alvin Ugay is disappointed with the Sophomore's fourth place finish.

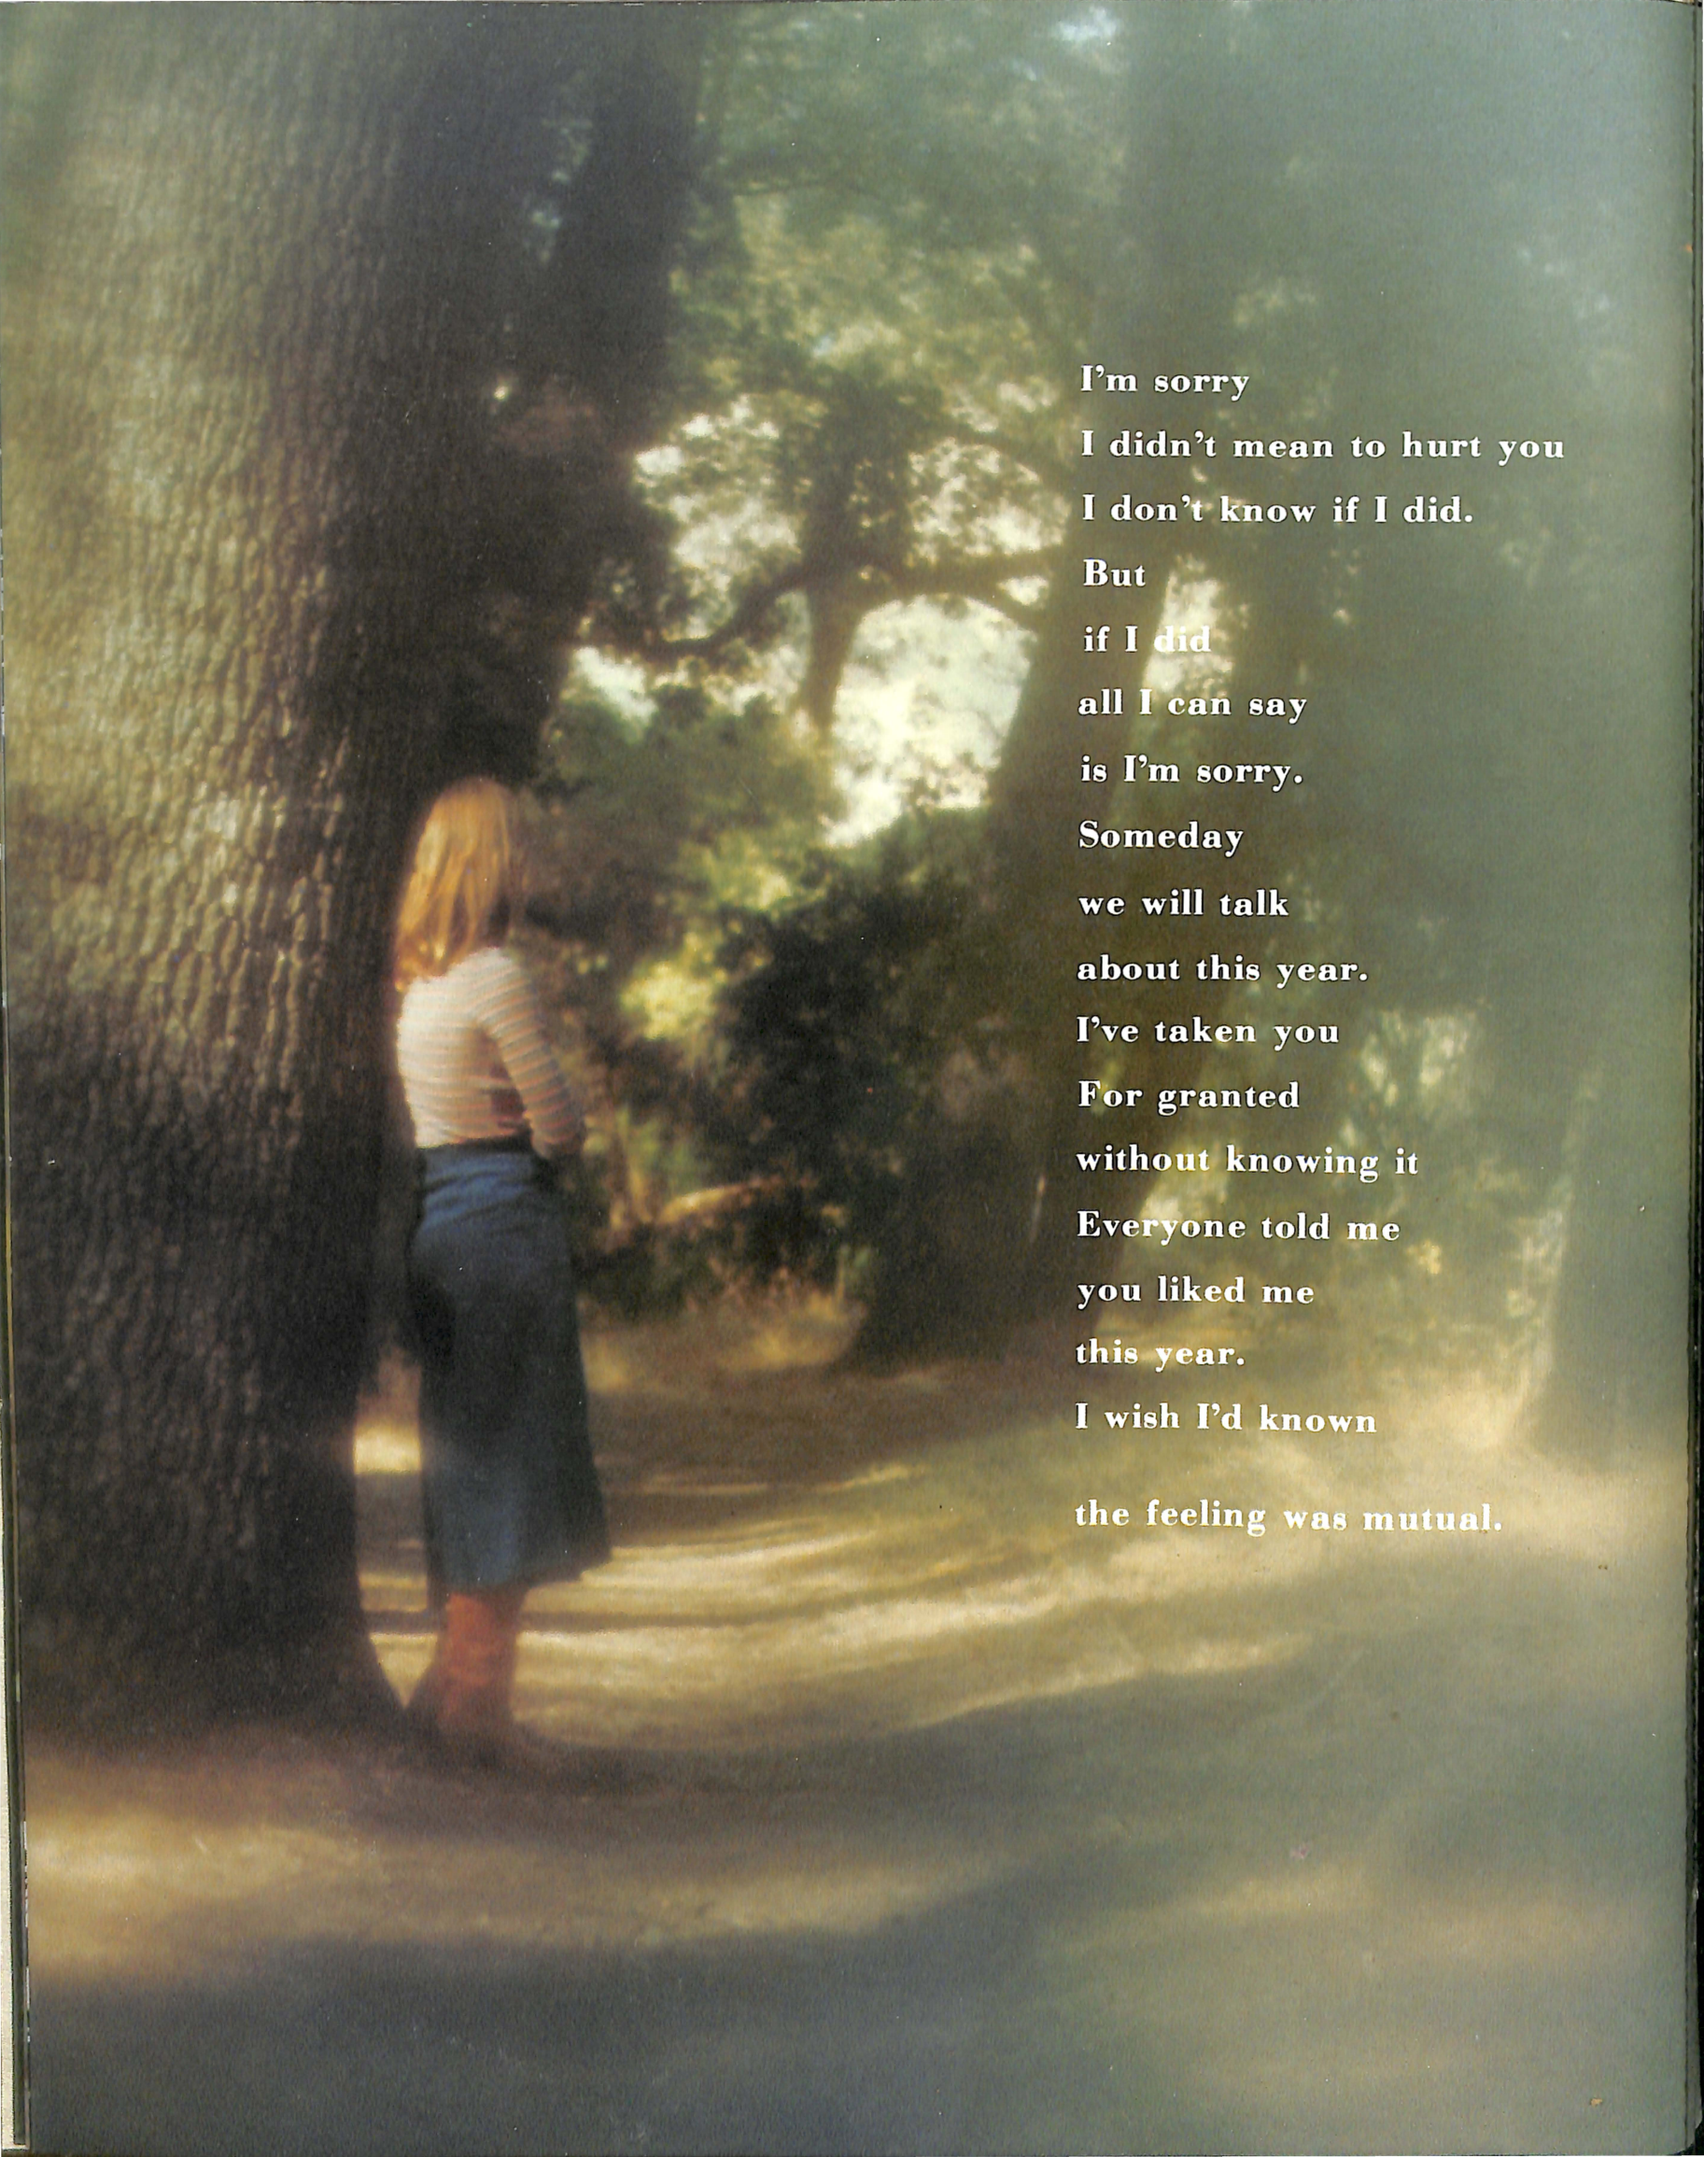

There was a third place at the end of the Freshmen's rainbow—not a pot of gold.

A real friendship, once it is allowed to be planted and take root, is so strong and powerful that no matter
how forceful
how deceptive
how vulgar
how intriguing
how angry
any outside force may seem, it can withstand any test, overcome any obstacle.

A tree's
roots penetrate
deeply into
the soil, rounding
rocks and plowing
through clay
seeking only the
best for its buds.
The leaves, if
nourished properly,
will burst into
fullness and rustle
only slightly in a
wind. When fall comes,
it silently drops its leaves,
realizing the need of a resting period. The roots, the invisible
strength of the tree, must be given time to rebuild; to add to it
new life and to reinforce its old. Birds momentarily
intrude, build their nests, and then abandon this
tree. A fire, crackling and engulfing every intricate
delicacy designed in its greenery, may irritate
its outside beauty for a time; but the debris
the fire leaves behind only replenishes the
soil to let the tree be born again, more
splendid then ever before. Even human razing,
which may chop and hack at the steadfast tree to
use its naturalness for plastic purposes, can not
totally absorb the tree. No use can be made of the
roots, which are implanted in life-giving soil, deep and
permanent. And time, the worst influence of all, can
not alter the tree. Time may erase the physical presence
of its life, but the remaining dust will fly away
on the playful breeze — to be as such until
eternity . . . and our love, like this tree,
is steadfast and invincible.

I'm sorry
I didn't mean to hurt you
I don't know if I did.
But
if I did
all I can say
is I'm sorry.
Someday
we will talk
about this year.
I've taken you
For granted
without knowing it
Everyone told me
you liked me
this year.
I wish I'd known

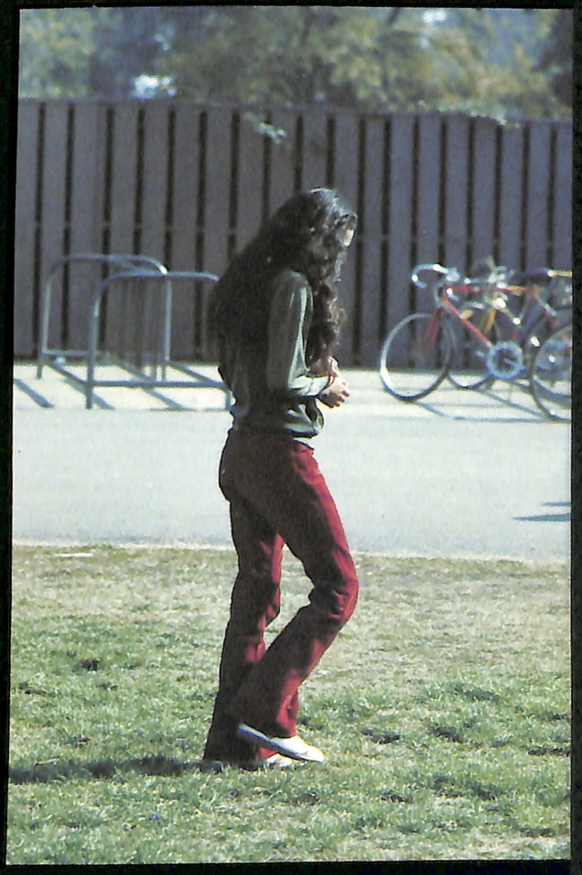

the feeling was mutual.

REFLECTIONS

Walking through
the crowded halls at school,
Looking neither right nor left
but down at my shoes,
Staring straight ahead,
pretending others aren't there,
Wanting to reach out
but not quite ready to dare.
I've passed up many people
who I see every day,
Not giving them a second look
just staying far away.
I've labeled many others
as snobs and creeps and such
When I don't even talk to them
or get to know them much.

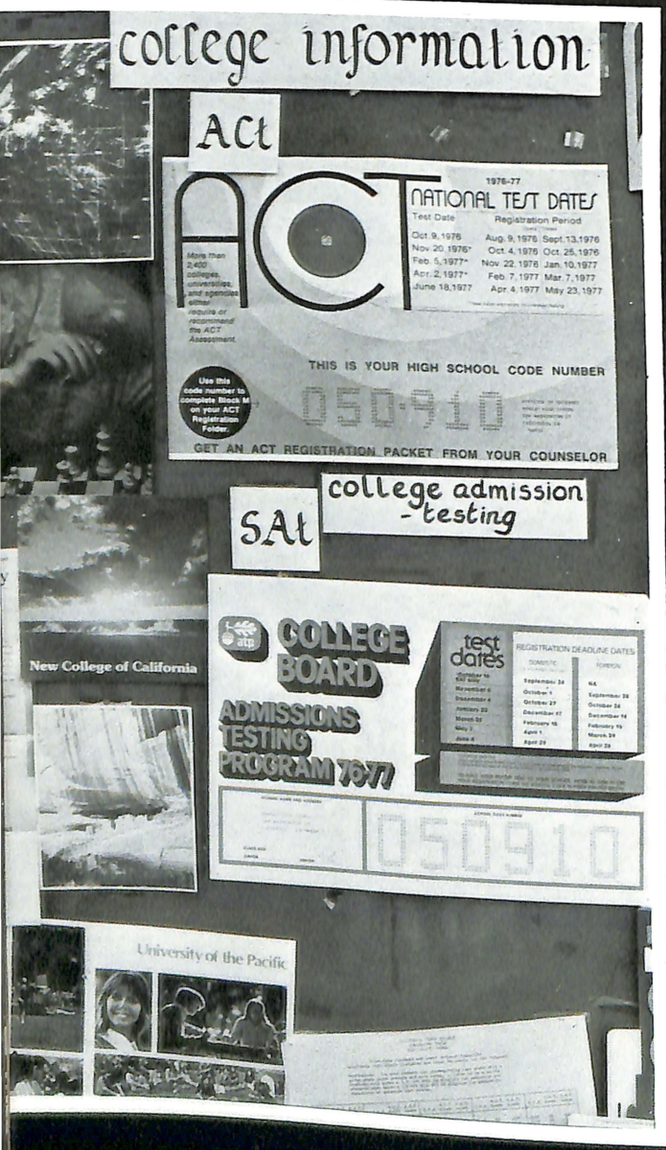

I wish I didn't seem quite so cold on
the outside.
Deep in my soul I want to reach out,
I really do
Because I'd like to be friends
with someone like you.

One Life

There are countless paths of knowledge
There are many ways to give
There are endless hopes to dream of
We have but one life to live

Don't waste your time in hatred
jealousy or pain
pity envy depression
or things that are the same

Every year that we get older
more often you'll hear people say
I wished I would have, I should have done
I just wasted another day.

ARMIJO INDIANS
ALL-STARS

Sports

There exist two kinds of exercise;
that of the mind and
that of the body. One
is not effective without
the other.

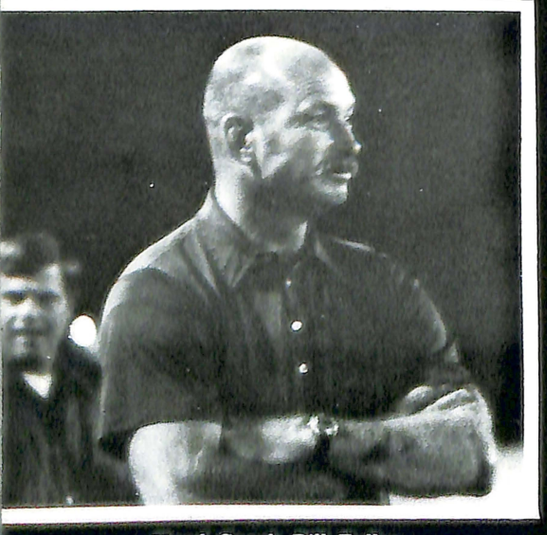

Varsity Football

This year's Varsity Team was smaller than in the past, but their quickness made up for their lack of size. The team finished with an overall record of 4—6. Four of their six loses were by 7 points or less, with Napa winning by only 1 point after scoring with 5 seconds left in the game. Offensive standouts were Chuck Price, Sonny McCall, and Juan Seldon. Dee Page did an outstanding job in defense, while everyone contributed to an excellent team effort.

This year's Junior Varsity Squad, coached by Bob Miller, Lloyd Wells, and Bruce Franchi, finished with a five win, four loss record. Jon Grasse was named the most outstanding offensive and defensive lineman. Tim Cox scored the most touchdowns—six. He was chosen as the team's best offensive back. Jerry Sweany had the most tackles. Armijo's Varsity Team for next year looks to be strong with fine players like Tony Dixon, Maurice Geddis, Rob Witt, John Johnson, and Steve Stewart moving up from J.V.

Indoor Soccer

The interest in soccer has skyrocketed at Armijo. In addition to the fall program, new spring teams have been formed: The Men's Indoor Soccer Team and the Women's Indoor Soccer Team. These are coached by Mr. Jim Evans.

Coach Jim Evans is greatly responsible for the increase in enthusiasm of soccer here at Armijo.

Freshman Football... A New Dimension

Prospective frosh football players were divided into two teams this year—a gold team and a purple team. This was done in hopes of supplying more experienced players for the J.V. team the following year and to grant more playing time for more players. Traditionally, frosh football has been a learning ground with less emphasis on winning. We won't know until next year the success of this new program but it is an excellent idea.

The purple team had a successful season with strong defense and strong backs. The gold team also had good players in Dino Seldon—Most Valuable Lineman and Dean Lettus—Most Valuable Back. On the purple squad Dave Duncan was Most Valuable Lineman and Mike Brookes—Most Valuable Back.

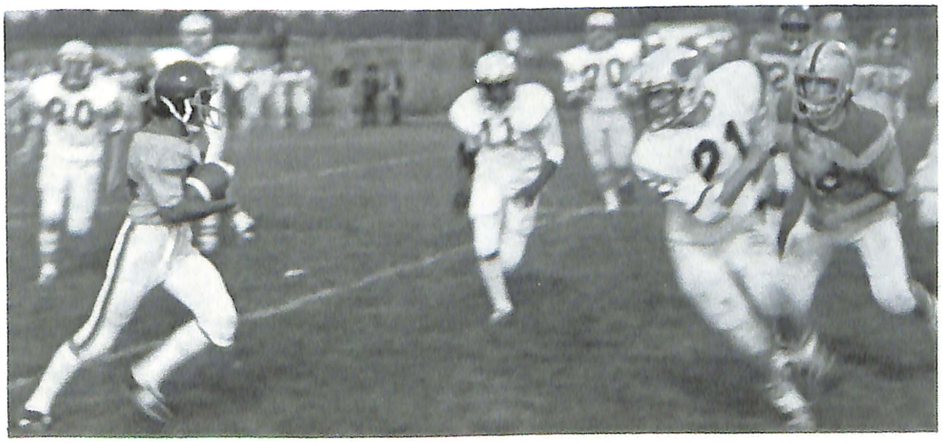

Gold Team

Front Row: Emmet Gray, Marc Alexis, Gerald Conway, Shannon Simpkins, John Rivera, Billy Williams, Dennis King, Ron Beamer, **Manager:** Bobby Caviness. **Back Row:** Coach Moore, Tom Stetser, Darryl Majors, Mike Townsend, Dino Seldon, Mitchell Walker, Dean Lettus, Jim Holloday, Coach Snell.

Purple Team

Front Row: Brad Simonds, David Duncan, Anthony Cantrell, Lawrence Trigg, John Ebling, Mike Brooks, David Nicoli, Kevin Fujinaka, Rubin Gomez, Ric Oren. **Back Row:** Coach Keeter, Art King, Adrian Davis, Wayne Andrews, Nealy Greene, Danny Booker, Murphy Davis, Tommy Archer, Kelly Farney, Greg Johannes, Coach Ed Lambrecht.

Kathy Berggren, what are you so scared about?

Steve Pugh rejoices at the sight of the finish line — John Berta hasn't seen it yet.

Steady and reliable, Harry Youkers and Steve Metoxen run well ahead of their Hogan opponent.

Cross Country

Champs! Number One! Under the coaching of Doug Butt, Armijo's Cross Country Team went undefeated in league action to capture the championship. Congratulations to our runners who have brought to Armijo its first penant from the newly formed league.

Most outsiders to this sport are unaware of the grueling hours of practice spent in preparation for the season. Our team members jogged hundreds and hundreds of miles this past summer. People often wonder as they notice a group of runners in sweatpants splashing through puddles on a stormy day: Why on earth are they running now? It is dedication that makes them push on.

Harry Youkers, Most Valuable Runner and Runner of the Year will be streaking across finish lines once again for Armijo. Most of this year's team will be returning for another fantastic season. Hopefully they will all have a little more support from their fellow students.

Coach Butt is just elated over his team's championship!

J.V. players display their winning style.

SOCCER

This year's soccer team captured 2nd place in the Monticello Empire League. They posted a 10—7—1 overall record and a 6—2 league slate while capturing the Dixon Tournament crown. These players beat the 1st and 2nd place state teams! Mario Ibarra was awarded the title of Team Captain and named Defensive Player of the Year at Armijo. He was also given the Founder's Trophy which is for the senior who contributes the most to soccer while at Armijo. Santiago Rivera was the Most Improved Player and Matt Cowan was the Most Inspirational. Mike Rose was the Most Valuable.

On the J.V. level, Marc Harmon was the Most Improved Player and Tony Chavez was the MVP. The Junior Varsity team went undefeated. Almost all of the members on the J.V. team are freshmen, so Armijo's soccer teams look to be even better in the future!

I guess Matt saw the bionic woman too!

Varsity ended with a 7—10 record. Despite this record, the team had a good season as the caliber of teams was very good this year compared to the past. High scorers were Steve Sproule, Jeff Stewart, and Scott Fukuda. The team played as a unit and showed marked improvement in offensive and defensive playing. Everyone shared in both offensive and defensive aspects of the game, contributing to their successes. Varsity team captain was Dave Giugni. Scott Fukuda received the honor of Most Inspirational, Steve Sproule — Most Valuable and, Jeff Stewart — Most Improved. The J.V. had a superb season and a fine 12—3 record. Once again, everyone played well together and all assisted each other in the accumulation of wins. The girls were of special help and support in achieving success. The teams played against were tough and the junior varsity should be commended for their efforts. Indeed, a fine group of athletes. Stacy Owensby was Most Improved while Tracy Owensby was Most Valuable. Mike Spurlock, Bobbie Ragle, Brent Mineer, along with the Owensbys, were high scorers.

Water Polo is still independent as there is no league established as yet.

The highlight of the season was a 60—43 win over crosstown rival Fairfield. Overall the team finished strong winning their last three games in a row for a 10—10 win-loss record.

Thierry Lewis, Steve Stewart, Tony Dixon, and Ray Kent carried the buck of the load, while Donald Hills, Shawn Tolliver, Terzo Filomeno, Eric Martin, and John Williams also saw action.

Freshman Basketball

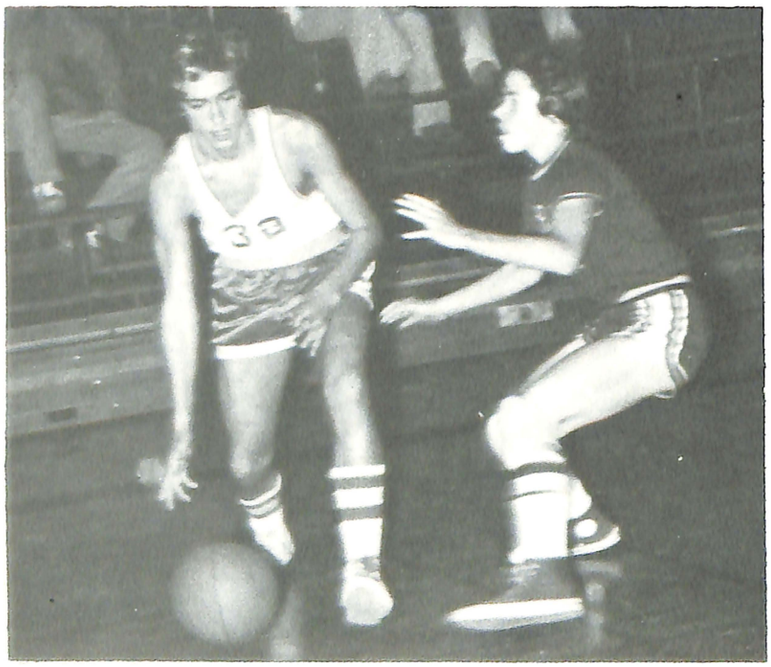

This year's squad had a successful season ending with an overall record of 11—4. Leading scorer for the season with an average of 13.9 points per game was Emmett Gray. Murphy Davis ended with 12.7 average points per game, and was always reliable for many rebounds. Other player standouts were Wayne Andrews, Tom Stetser, Stacy and Tracy Owensby, and Lawrence Trigg. Hopefully, the players from this team will add a lot to the J.V. program.

Tennis

The days are gone when athletics for women were limited to leading the band with a baton and white go-go boots, playing tiddly-winks in the gym hallway and jacks in the lunchroom. General attitudes at Armijo, along with those of the rest of the world, have finally been forced to include the concept that women deserve to be involved in all sports and should have full opportunities for competition. Proof of emergence of women's athletics grows every year. Girls' teams here at Armijo are now getting their own uniforms. Before, everyone wore their P.E. shorts and worn-out jerseys. Although people aren't jamming the gym to watch the girls' teams yet, attendance at matches has grown considerably in the past few years. The skill levels of the participants have skyrocketed through dedication and a love for competition. Yes indeed, female athletics are here! To those fans that are against women in the sports scene: it's about time you stop trying to keep them out—you're fighting a losing battle.

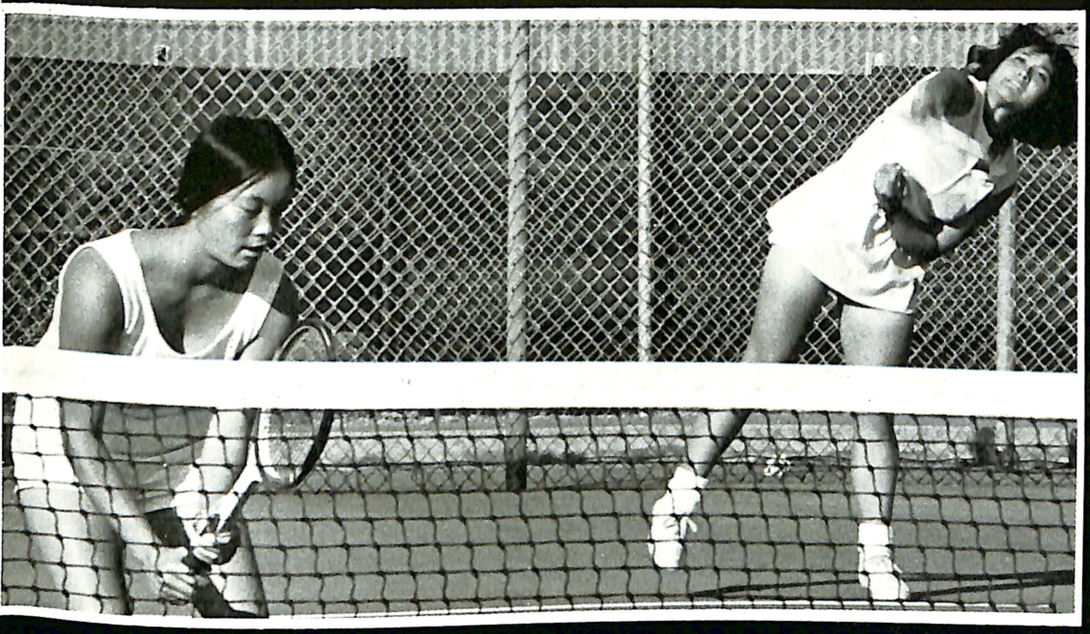

While struggling to unstick her hand, Natalie Valladao returns a serve.

Tennis Squad

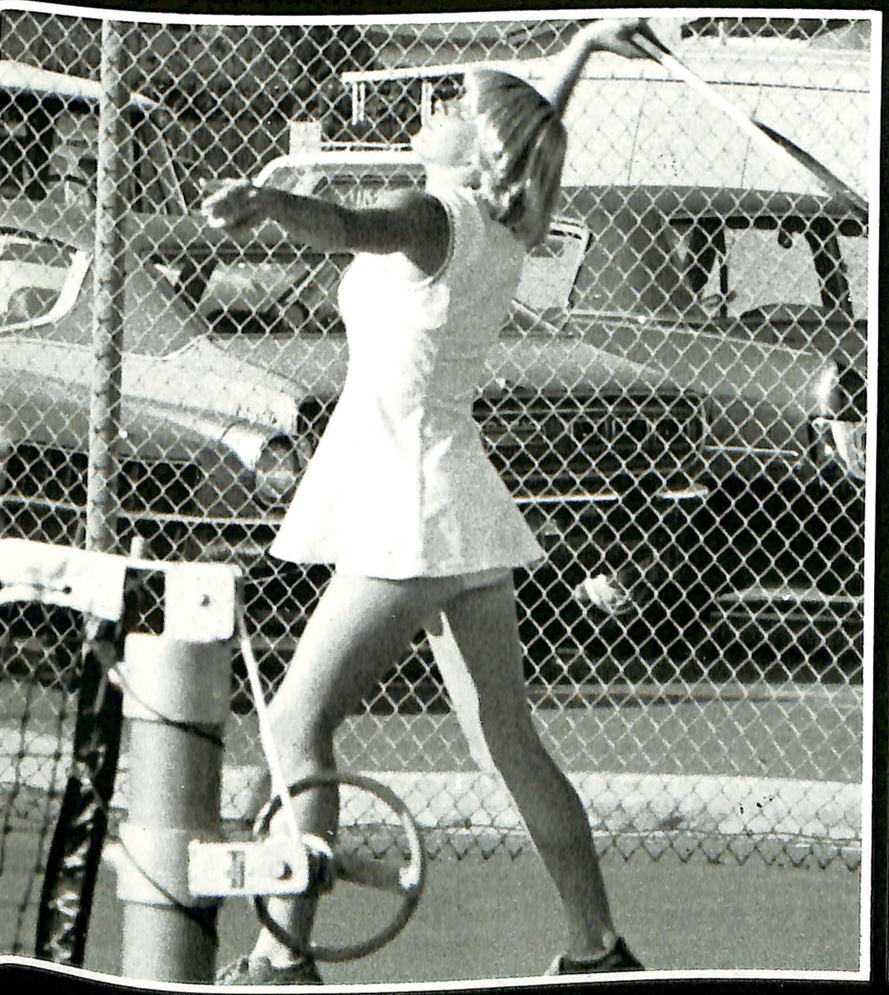

Front Row: Hope Jacobo, Kim Corneau, Mariko Pandorf, Diana Low, Chris Roybal, Margaret Roybal, Lisa Tomes. **Back Row:** Coach Lum, Connie Florez, Lisa Tong, Becky Ragle, Jenny Moorhead, Carole Mohr, Theresa Hatfield, Natalie Valladao, Shelia Zuehlke.

"It's the contest that delights us, not the victory ..."

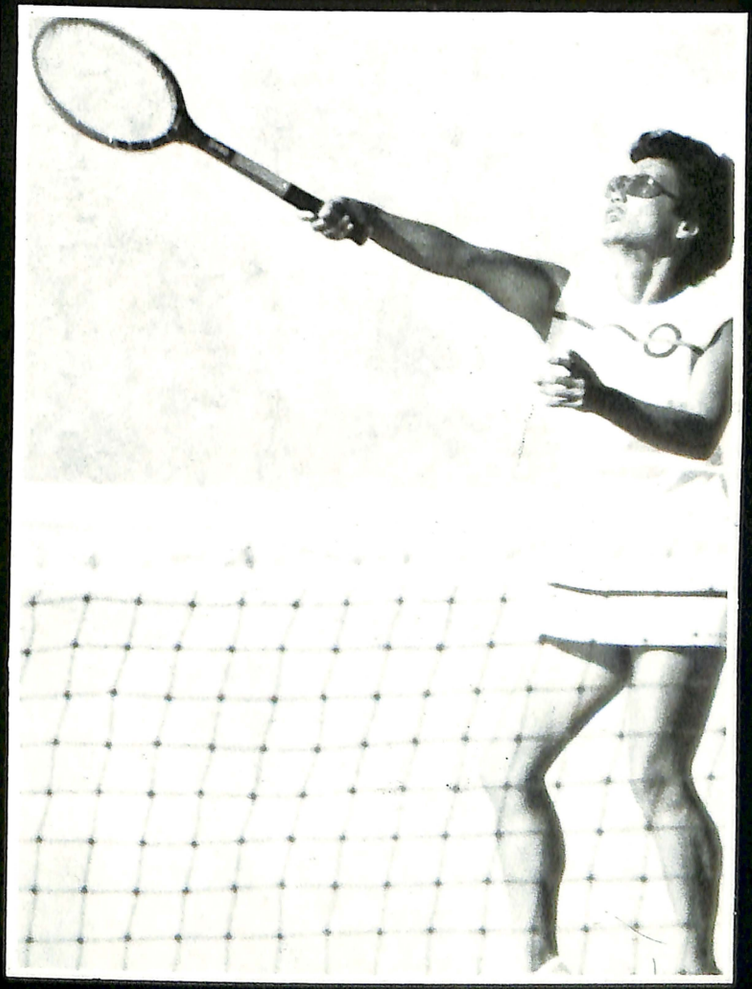

Mariko Pandorf smashes an overhead shot.

This year's team ended their season with a 6—5 league record. The squad downed the Fairfield, Vallejo, and Hogan teams. Understandably, they dropped a few games to powerhouses Napa, Vintage, and Vacaville, whose players are frequently members of city and country club teams. Coach Lum hopes to start working with the girls as soon as possible for next season and is encouraging them to practice on their own now and during this summer.

Kim Corneau thinks "I'm not going to let that pigeon get away with this!"

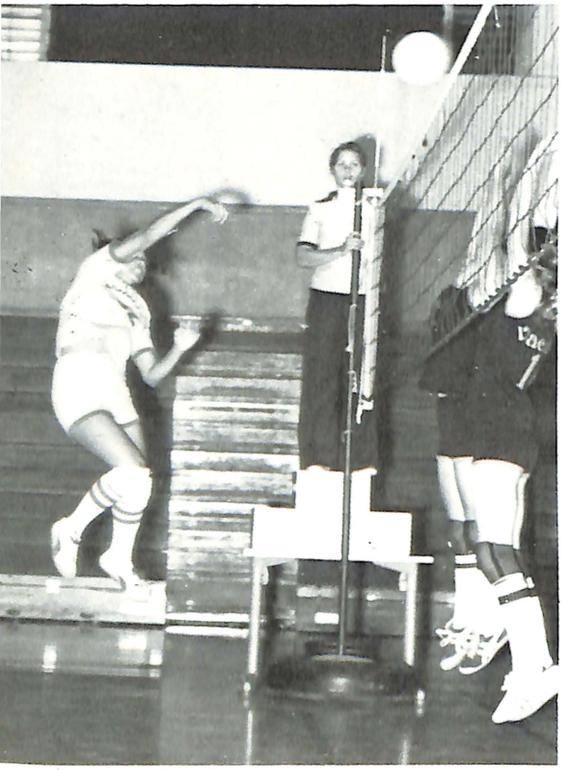

No Miss Lum, you are **not** too old!

VOLLEYBALL

This year, the Girls' Volleyball Teams entered into their first year in the newly formed Monticello Empire League. Varsity took second place with a 9—3 record. They also entered in three tournaments placing 2nd at Davis and 4th at Vanden and Stockton. The J.V. Team placed third in league competition with a 7—5 record. In the All-City Tournament at Vanden they took 1st place posting a perfect 6—0 victory.

Volleyball here at Armijo has developed into so much more than just getting the ball over the net. The teams worked many long hours striving to perfect the bump, set, spike pattern and various other "plays". The hard work certainly has payed off as demonstrated by the high skill levels of all team members.

GYMNASTICS

Coach Preston spots one of her gymnasts.

The future Olga Korbuts and Nadia Comanecis of Armijo finished with a 3—1 meet record. They have improved swiftly while being in existence at Armijo for only a few years. These gymnasts, like many other athletes, find gratification in the art of graceful movement.

In the league meet Kim Miller placed first in the open division with Cheryl Ruffino coming in second. In the novice division Millie Dunlap grabbed first and Kathy Owens placed fifth. These four girls advanced to subsections with Cheryl Ruffino and Kim Miller again placing in the open division, third and fifth respectively. Out of fifteen schools Armijo placed third in both the novice and open divisions. Quite an accomplishment! Kim and Cheryl then advanced to sections performing optional routines.

We hope that next year's team will be as successful as this year's was. Good Luck!

Connie Dalton — Freshman Varsity Player.

Now where would we be without our stats keepers?

Miss Linville coached Varsity on to a third place league finish-not bad for her first year! The team, with more height than in past years, made it to the playoffs, but were unfortunately eliminated. Varsity was led all season by guard Debbie Poole and captain Rhonda Clarke. Junior Varsity was coached by Mr. Pemberton. Having relatively little experience they showed fantastic improvement each game.

Junior Varsity

Richard Roadcap, Harry Youkers, and Steve Metoxen will provide strength for the distance events.

Actually Kim Miller is getting comfortable on a wavy waterbed—you just can't see it . . .

Rhonda Dickson and Carolyn Caviness do their part in the relay.

"Here's your hot-dog Don," yells Pat Valeriote.

1977 Armijo Track Team

This year's team will field excellent sprinters and distance runners while individuals in the field events are relatively young and inexperienced. Some of our sprinters are tops in the section and the distance runners are carried over from the championship Cross Country Team. Coach Miller will have the sprints, hurdles, and relays, Mr. Butt will coach distance runners, and Mr. Pemberton has the field events. Sonny McCall, Jai Jackson, Benny Benson, and Walter Jackson will compose the swift 440 relay. Ed Brown should do well in the low hurdles. Ed Petty will star in the triple jump. Steve Metoxen and Harry Youkers will fare well in the distance events. Varsity high jump will be Ray Kent. The girls should do well this year. Joy McClain, Tracy Hopkins, Rhonda Dickson, and Carolyn Caviness will make the 440 relay. Cathy Berggren, Debbie Kelichner and Jackie Maben will probably be outstanding in the distance events. On the J.V. level Steve Stewart is doing an excellent job at the discus and shot put as is Jon Grasse and Maurice Geddis. Troy Meares is doing a fine job at pole vault.

Squad Members

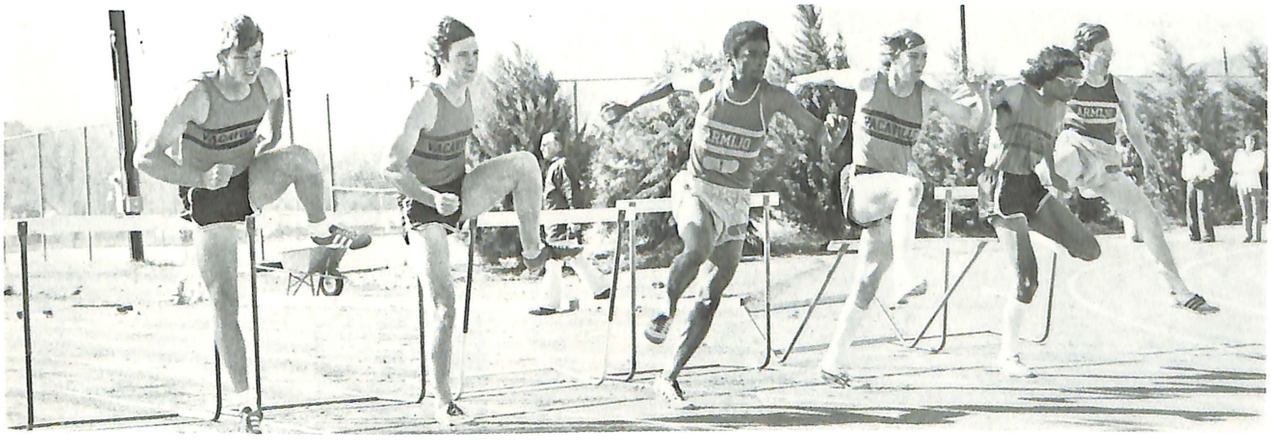

Front Row: Gwen McDaniels, Tina Rogers, Jamecia Jackson, Terry Simmonds, Kim Wilson, Debbie Kelichner, Jackie Maben, Joy McClain, Treine Chavez, Shelia Cross, Yvonne Beaulieu, Tracy Hopkins, Bonnie Westbrook, Kathy Berggren, Kim Miller, Carolyn Caviness. **Second Row**: Benny Benson, Steve Metoxen, Dean Lettus, Dennis, Bell, Richard Roadcap, Troy Meares, Al Stevens, Dan Blattler, Dan Hafich, Vince Pettus, Don Clark, Paul Douglas, Harry Youkers, Gilbert Greene, Rhonda Dickson, Dawn Veenbaas, Walt Jackson, Evester Hart. **Back Row**: Coach Pemberton, Pat Valeriote, John Johnson, Jai Jackson, Ed Brown, Sonny McCall, Ricky Davis, Bill McCary, Maurice Geddis, Eric Claire, Ed Petty, Kevin Sharp, Thierry Lewis, Jon Grasse, Melvin Dunn, Wayne Lockwood, Steve Stewart, Coach Miller, Helper Mr. Caviness.

Debbie Kelichner and Cathy Berggren left their opponents in the dust.

Buckle your seatbelts and extinguish all cigarettes please. It's time for takeoff!

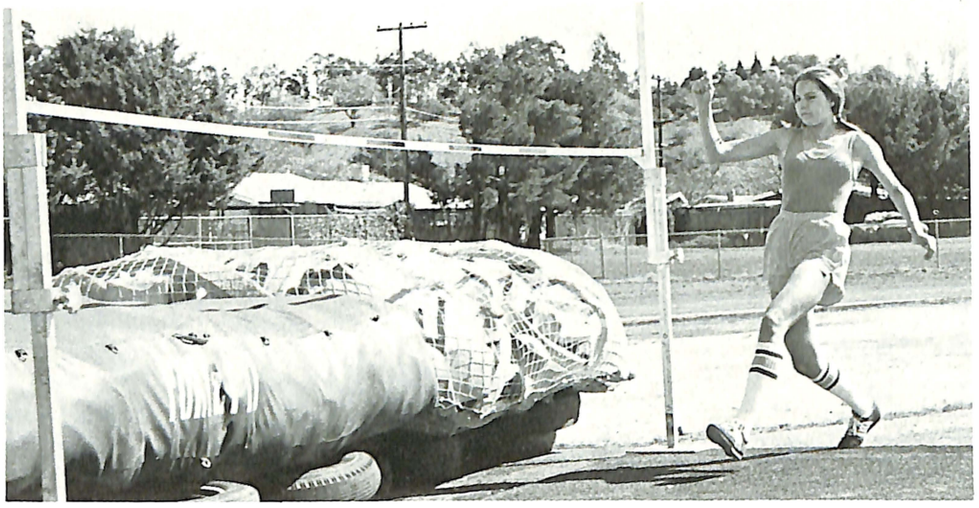

"Now really," thinks Sonny McCall of those two Vaca opponents, "this isn't a look-alike contest."

Thierry Lewis is ready to karate chop anyone who disturbs him.

Intramurals

Dave Hafich wonders if Miss Lum can really jump up and touch the ceiling.

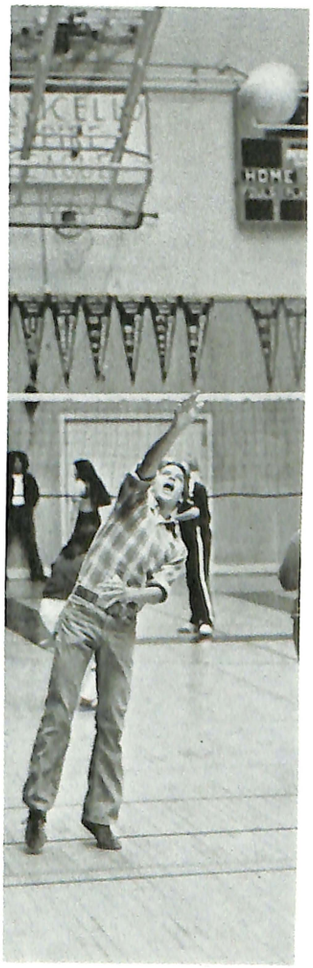

Linda Simmonds wonders if they saw her stamp extra balls for her favorite team.

During the lunch period, many students amuse themselves by participating in Intramurals. The games played usually include volleyball and badminton. Volleyball is played in the form of co-ed, all male, and all female teams while badminton teams consist of mixed doubles, singles, boys singles and girls singles.

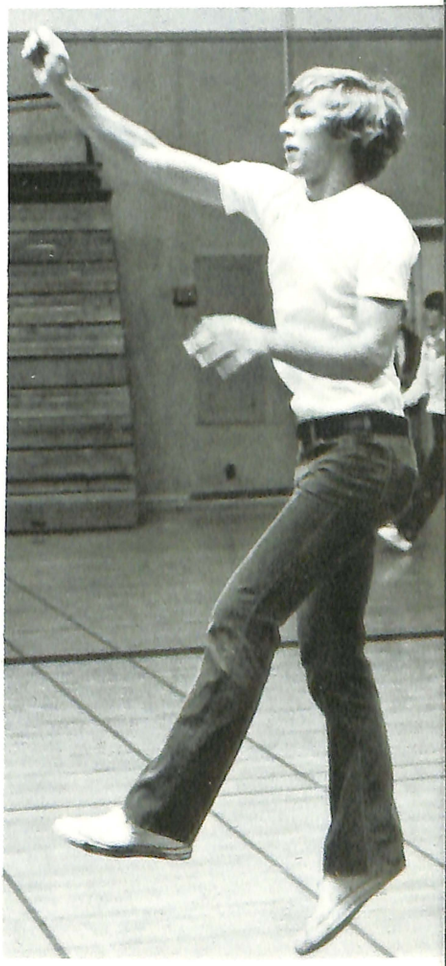

To participate in the Intramural games, one does not have to be a sports pro. They are provided for students to have fun and enjoyment.

"The Mud Is Back!"

Leslie Crossley and Roni Sanford finally discover that "baked mud" isn't very tasty!!!

Every year the Soph—Frosh Scramble holds many surprises and 1976 was no exception.

The crowd was small, which was unusual, considering the beautiful weather. The few spectators who didn't plan on participating, participated anyway. The mud was splattering everywhere, hitting the spectators. As the saying goes, "The mud hit the fan!"

The Tug—of—War is usually the deciding event, but this year it was a bit different. Supposedly the rope was ripped—off last year and the funds were too low for another. A garden hose was used, but, this proved to be a bad idea, because a girl's hand was cut. Therefore, the Tug—of—War was cancelled.

The final score was 30—50, the Sophomores leading their respective class.

A Junior—Senior Scramble was scheduled this year, but due to lack of interest in sign—ups, it was also cancelled.

Lucille Salinas and Larry Davis do their homework for their new "teethpicking" class.

This years Football Homecoming was almost the same as the previous ones. Alot of spirited fans showed up for the annual event. The game was close but the team just didn't seem to have it together. Even though we lost the game the spirit was still there. As usual the parade drew people from all over Fairfield. The dance later that day kept the emotions stirred up.

Juan Seldon hands off to Eric Clair as Joe Kinser and Clayton Funk give excellent blocking.

Guys: Head for the Hills!

Dave Sheldon has that look of love as he waits to get married.

Mike Grant asks Lea Grundvig where the food is.

This year, enthusiasm was high as the annual Sadie Hawkins Dance rolled around. The dance gave the girls an opportunity to see how it feels to have to ask someone out; you know, butterflies in their stomachs, sweaty hands and all. Following tradition, most couples came in matching shirts. Many girls treated the guys to dinner to kick off the night. When you go to the Sadie Hawkins Dance — you aren't let down. This year's was no exception. As usual, it was one of the funnest dances of all year!

Generosity

These people and others gave generously at Christmas time.

At Christmas time, Mr. Evans' math class members donated items to their food drive. 221 boxes and cans of good, useable food were collected to be given to the needy. Mr. Evans was really impressed with the great interest and response generated by his classes. He hopes that next year, maybe an entire class or club will organize another large food drive — after all, Christmas is a time for giving.

Mr. Evans and Debbie Stykel stack up food to be given to the Fire Department for distribution.

As you see, people gave good useable food—not just cans of lima beans!! Poor people like to eat good too.

Christmas Ball

Sonny McCall is astounded as he sees Rudolph land on the skylight.

This year the Seniors and Juniors got together and tried to revive an old tradition; the Christmas Ball. This idea was met with some opposition from the Administration. It was not put on the school calendar in September and there were no teachers assigned to chaperone it. But, with the help of some volunteer parents, the dance was a success. Hopefully it will be a tradition in the future.

BASKETBALL HOMECOMING

This year's Homecoming was slightly different from those in the past. A male, Mark Beaver was nominated for junior attendant, but did not win the title.

The game was exciting and crowded as Armijo won over the St. Pat Bruins. The dance which followed the game was also crowded, but due to the music, only a few people were actually dancing. At halftime, Gloria Davenport was crowned the 1977 Basketball Homecoming Queen. Her court included freshman attendant Roberta Gale, sophomore attendant Bobbi Sykes, junior attendant Joanne Zamora, and senior attendant Ginger Rogers.

Boy-Girl Rally

On Friday February 18, 1977, Armijo High School students were treated to the sixth annual "Boy-Girl" Rally. Each pep squad member chose a male and attempted to teach him trains, cheers, and how to run a rally. The final results were hilarious!!!

Out of the few rallies that we've had, this one seemed to be the best. One of the reason why Armijo students were treated to so few rallies were because the administration feels that it takes out to much school time. Also because of a few trouble makers who like to throw things onto the floor.

Tutorial Center

The Tutorial Center was masterminded by school Counselor Ken Snell as a place for students who are doing poorly in a subject to get extra help. The center is financed by a $15,000 educational grant obtained through many hours of hard work put forth by school Principal Gene Dillman and Project Supervisor Ken Snell. Staffed by twelve high school and college students, the center is open to any student needing help in any subject. The center is open during the hours of 8:00 a.m. to 4:00 p.m. and is located in room D—1.

Superband. A name well earned. A name earned by the students whose time and hard work has made the Armijo name a standard by which other bands judge themselves. A name which our bandsmen carried with them on national television in the 1976 Tournament of Roses Parade. Their expertise in marching, field maneuvering, concert and others has brought them the title of "Northern California's Best." Their awards are numerous and their accomplishments many. They are truly a **super band**, and of that we are Proud.

Drill Team

Oh no! thinks Karen Cross! I forgot my next move!

Front Center: Lori Sutton, Captain. **First Vertical Row:** Treasa Mifsud, Kim Petty, Kim Dedrick, Jenny Randall, Pat DeCoster, Audrey Hinton. **Second Vertical Row:** Linda Sutton, Pam Mizel, Karen Andrews, Doretta Hinton, Cathy Timko, Karen Cross. **Third Vertical Row:** Candy Mifsud, Star Taylor, Valerie Nielson, Laura Faucher, Gwen McDaniel, Yvonne Dixon. **Fourth Vertical Row:** Jean Mickens, Angela Davis, Cris Wates, Lisa Johnson, Lorraine Beaver, Linda Moatz.

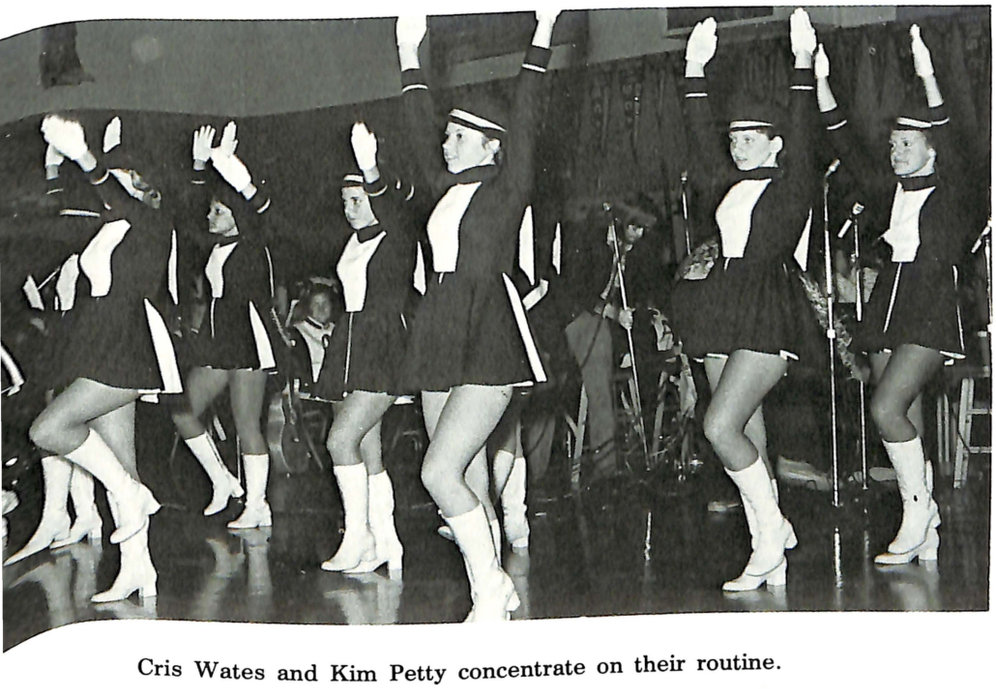

The girls on the drill team wait their turn to captivate the audience.

This year's girls were very talented and full of dedication. Over the summer, two girls attended a Drill Team Camp. Lori Sutton and Lorraine Beaver came back with new and exciting routines such as a kick routine, a "disco-duck" routine, and also a disc routine. The discs were made by the shop classes here at Armijo and were painted flourescent green and orange by the girls on the team. This disc routine was performed with black lights at the Basketball Homecoming half-time.

While the advisor, Mrs. Tina Preston, was away on maternity leave, Mrs. Joan Geel was there to advise the girls. She was extremely helpful to the girls and they are very grateful.

This year, the girls decided to make purple and gold uniforms to wear while performing for school functions. They also decided that since the uniforms were purple and gold, it might help to promote school spirit, which is diminishing. The Drill Team Captain, Lori Sutton, took charge and did a nice job in finding the right shades of purple and gold polyester for the uniforms. The girls made the uniforms themselves, and bought their tights and shoes.

Over the few years that the Drill Team has been organized, they have really come a long way. When they perform they can hold their heads high and can be proud of who they are and what they do.

Cris Wates and Kim Petty concentrate on their routine.

The '76-'77 Armijo La Mezcla Staff

From the Spanish, the term "La Mezcla" is roughly translated as "the mixture", a school is a blend of diverse economic and ethnic backgrounds, all brought together for the purpose of education. This book attempts to depict the school in the fall and spring semesters of the '76—'77 school year, and that portrait attempts to include every aspect of the wide range which makes up Armijo High School.

This book does more than depict the year as viewed by the senior class. Through the staffs dedication and work as well as that of the faculty advisor, Mr. Day, this book is able to recall something for everybody. You can only take as much from it as you contributed to the school.

This book provides a sketch of Armijo during the school year '76—'77; as such it is but a skeleton, a foundation on which to base your own memories. To get anything from this book, it is necessary to think back, to remember how it was for you, and then to fill in the outline here with your own details. Because it takes a student's viewpoint, much of what is pictured here may seem foreign to one who has not participated as a student.

Our Times

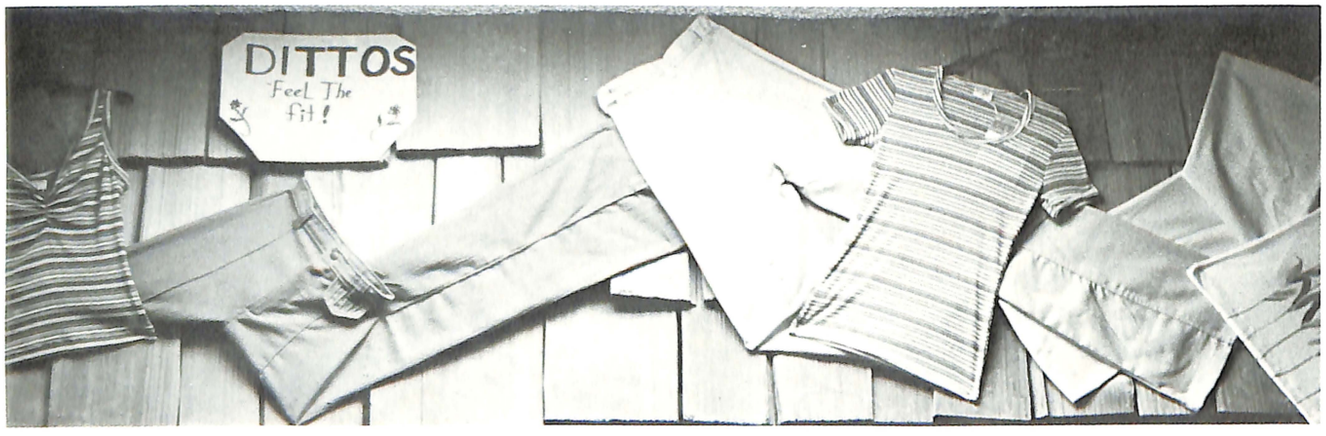

Fashions

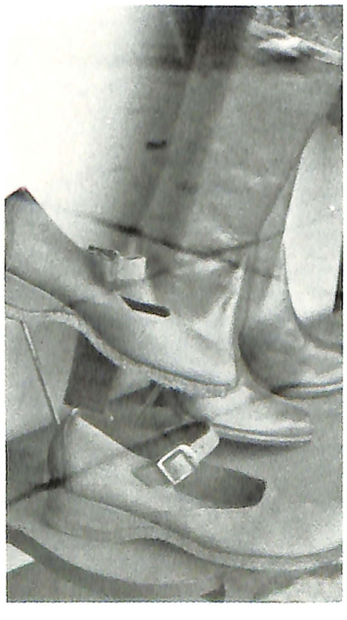

The 1977 school year was the background for a rebirth of the 60's fashions. Girls were adorned in gauchos, boots and scarves around the neck.

Dittos also came into the scene and were worn just like skin: tight!!!!

Students' feet were fitted with the popular earth or nature shoe and also the wavy sole shoe. Levis for feet were another attention getter!

Stashing It Away

Many students at Armijo worked during the school year, in addition to summer employment. Some worked to save for college costs, while others wanted to earn spending money to supplement their allowances.

Many of the teenage workers worked at jobs requiring very little training. However, coping with irate customers and losing free time didn't seem that bad after the welcome paycheck was cashed.

Music

Crowds of young people spend hours standing in lines waiting for the gates to open to their favorite rock stars' concerts. This year's most popular concerts were those of Boz Scaggs, Boston, and Dave Mason, all of which drew large crowds.

Music tastes at Armijo range from the Olivia Newton-John and John Denver fans to the devotees of such stars as Led Zepplin and Montrose.

No matter what the time of day or night, rock music blares from someones FM radio or high-quality stereo system providing background for entertainment.

Heathen Habits

The legal age may be twenty-one, but alcohol and drugs are available for those interested in obtaining them. The use of these substances ranges from the occasional user to the frequent and sometimes excessive user, otherwise known as a "Burn-out." Drinkers learn tricks to cover up strong breath and bleary eyes from questioning parents and authorites. Beer and wine are the most popular beverages, but some prefer hard liquor. Many students feel that the obstacles to getting loaded include the high cost involved and the fear of parental reprisal. Getting high is seen as an escape from problems or boredom, or as a way to relax and have a good time.

H_2O- Going, Going, Gone!

There's no glory in the "Glory-Hole" while it's empty. The Glory Hole is now sitting twenty-one feet above the normal water level. The shortage of water has become a major concern throughout the United States. The use of our water is becoming more expensive as the drought gets worse. The drought is expected to continue for another four years. which is a perfect reason as to why we should cut back on the use of our water. Many cities have started rationing their water supply, which will behoove them to do so.

Please concern yourself with the amount of water you waste. Every "drop" counts!!!

Flicks

It's the weekend. There isn't a thing happening at school. There aren't any good parties. What can a person do for entertainment? How about going to a show: Armijo students prefer to spend their free time enjoying themselves.

Movies continue to be a favorite weekend activity for students. Theater fans munch popcorn by the bag-fulls and get sticky and soggy fingers from the melted "bon-bons," while so engrossed in watching their favorite heroins and heroes on the big screen.

Here in our town we have four movie houses. In at least one of these, anyone should be albe to see a flick suitable to his taste.

A few of the favorites this year include, "A Star Is Born," "Carrie," and, oh yes, "King-Kong."

Seniors... Move'n on

Senior Statement

1977, our year to remember. A year which will remain in our hearts for the rest of our lives. To us, the graduating class of 1977, this is a turning point in our lives. This is where we exchange our lives as children for those of adults.

We came to Armijo in 1973 as confused Freshmen trying to mold ourselves from those norms standard of the upper-classmen. Life at Armijo became routine as we took our place at the end of the ranks. We elected our first class leaders, built our first float, and experienced our first taste of responsibility. We worked together as a team, far from perfect, but a team of determined, inexperienced adolescents, in building what is now the class of 1977.

There have been many times since then, good and bad, which we have experienced together. The bad times such as the rained-out carwashes, the unsuccessful bake sales, low-placing floats, none of which have dulled our spirit. We've learned to accept disappointment, and to use it for our profit as a whole. And then the good times, the spirit yells, the successful dances, the outstanding Prom of 1976, and many others, all or which have helped us to hold our heads high; the events which have made us proud to be called Armijo Indians.

The class of 1977, a group of young adults who have come so far, yet have so far to go. God be with us, Class of 1977.

We, the Class of 1977, would like to thank the following classmen for their leadership during the last four years.

Awards

This year, in accordance with tradition, outstanding Seniors have been given awards in recognition for academic achievement in specific areas of study. These awards are known as the Bank of America awards. Each of the Bank of America winnners pictured on the following pages is a certificate winner. Four of these students have also won plaques and will continue on in further competition as semi-finalists for cash awards. They are: Linda Mineer, Diana Low, Anne Erdman, and Marti Morris.

Boy's and Girl's State is an award given to Juniors who have shown leadership qualities, scholastic achievement, and a sense of civic responsibility. The state awards are sponsored by the local chapter of the American Legion. These students, once chosen, represent their respective American Legion posts at the state convention held each summer. This year's Girl's State representative is Jackie Maben. Unfortunately, Boy's State was not chosen at the time of publicaton.

Anne Erdman, a student at Armijo, has been selected this year as one of the ten finalists for one of the most coveted awards given. This award, given by the California Scholarship Federation, is an award that comes to a school on the average of once every twenty years. It is awarded on the basis of high academic achievement and civic involvement. Anne is also the recipient of the National Merit Scholarship and the Betty Crocker Family Leader of Tomorrow award.

The National Senate Youth program is co-sponsored by the California Association of Student Councils and The State Department of Education. It gives participants a closer look at the State government in action, and an opportunity to visit and interact with some of our state leaders. Lynn Brunner was selected at this year's Senate Youth.

The 1976—1977 La Mezcla staff would like to extend their heartiest congratulations to all of the award recipients and wish them the best of everything in their future careers.

Score: 40—7. "Things don't look too good," admits Gloria Davenport.

"Go Armijo," yells Sandy Woodbury.

Connie Mendiola Patty Fernandez

Nobody seems to realize the amount of work that goes into putting together a good pep squad. Many long, hot summer days are spent practicing for the school year. There are unending hassles between group members and groups, even a few tears are shed. Alot of the girls admit it's just not what they thought it would be. Unfortunately, 3 members resigned this year from pep squad. For them, all the hassles just weren't worth the prestige of being on the pep squad. Perhaps this indicates a need for a re-shaping of pep squad and its election method.

It's Over

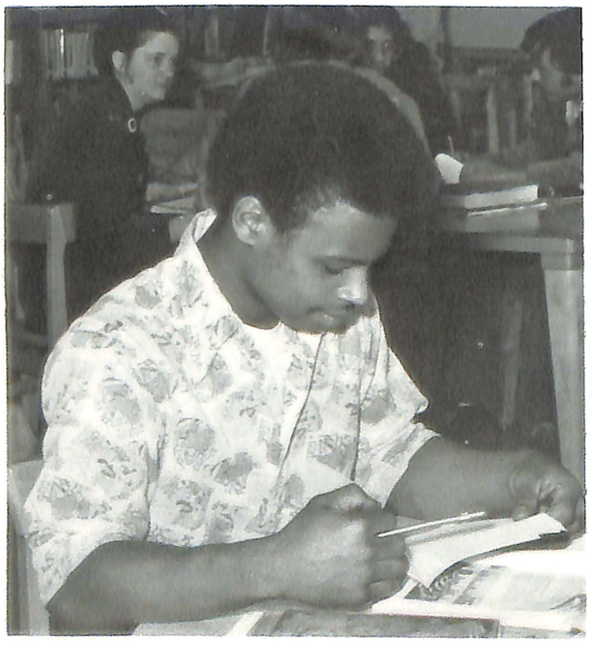

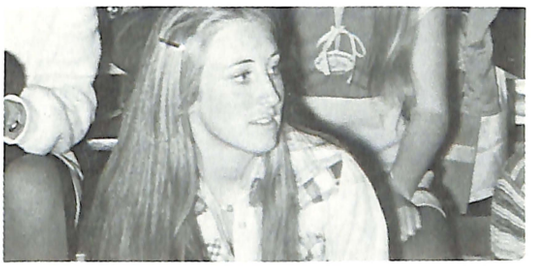

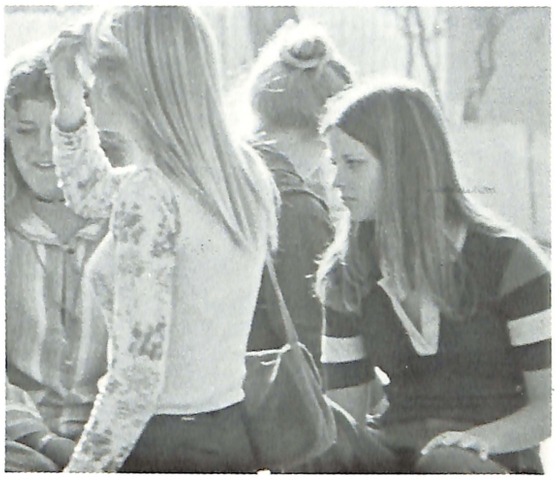

You've reached the last page of the 76-77 yearbook and yet another year has ended. What is gone is gone; but then, what is gone, is better gone, and what isn't gone is going. For all that goes—something else is coming, another year has passed, another year will come. So it has been and so it will always be...

It is human nature, I suppose, for people to criticize. I suggest that you get **involved**, that you **experience** the amount of work necessary to produce a drama play, a perfect season, uniform marching ranks, a yearbook... Few people are aware of the hours spent reading lines, reviewing strategies, meeting deadlines... GET INVOLVED!!!

The yearbook staff would like to say a hardy Thank-you to Mary Cornelison and Dave Young. They photographed many activities at Armijo and stayed up some pretty late hours to get our pictures processed when we had to meet our deadlines. Their photos appear endlessly throughout this book. We would like to thank Mr. Bartz for his advice and cooperation and the following students for their contributions to this book through art work: Kristine Cox, Hiroshi Merritt, Kirk Shorter, Clare Rogers, Sharon Gonzales, Glo Davenport, Sherri Ellingwood, and Curt Guiterrez. Thank-you Mari Kuropatkin. Hers is the original on which the friendship poem, pages 10-11, is based. We appreciated the use of the Solano County Hall of Justice for the student government pictures. Thank-you Mr. Minken, our Yearbook House Representative. And finally, let us not forget our advisor, Mr. Day. Everything you've heard about him is true—and more. Yes, he does chase students around the room wavering his pointer demanding his stolen snickers bar returned. Thank-you for the time you sacrificed. (and all your corny captions)

A great majority of human beings are unaware of philosophy and logic and understanding and knowledge of their own soul. People see and feel what others have told them, who in turn were told by someone else and so on. Is there no marvelous awareness of one's own discovery?
